My fault – I misread the scheduling assistant. I think I have a clear spot now.

Hi Mike

My calendar is accurate and packed. Sorry about that. It's fine if you meet with OGC without me. It's also fine if I end up having to miss the call with Janet, but I'd like to be in the loop in case I can reorganize.

Thanks.

Chuck

Would another time work better for you? People have fewer conflicts on Thursday.
